

Members of the Examination Committee
according to the
Doctoral degree regulations (Dr.-Ing.) of the University of Bremen
for Faculty 4 (Production Engineering) dated 20.08.2020
(Non-binding Convenience Translation)

PromO 2020 § 9 (2)

The examination board shall consist of the following members:

- 1. the first and second reviewers,*
- 2. an equal number of university teachers or experts holding a doctorate, including at least one university teacher of the faculty awarding the doctorate, who are sufficiently independent of the two reviewers and the candidate,*
- 3. two further members of the University of Bremen, including at least one student.*

Independence of the members of the examination committee

First reviewers: Supervisors, no employment relationship with authority to issue instructions in relation to second reviewers.

Second reviewers: No publications with candidates, no employment relationship with authority to issue instructions in relation to first reviewers.

Independent university teachers: No publications with candidates, no employment relationship with authority to issue instructions in relation to candidates and reviewers.

Experts holding a doctorate: No publications with candidates, no authority to issue directives in relation to candidates and reviewers.

Members of the faculty (non-voting): Publications with candidates and employment relationships with authority to issue directives in relation to candidates and reviewers are possible.

Students of the faculty (non-voting): Publications with candidates and employment relationships with authority to issue directives in relation to candidates and reviewers are possible.
